

Creating Capable Leaders

Training Program

Join our free community leadership training program in Karingal

Creating Capable Leaders is an inclusive 8-week program for individuals looking to develop their capacity to design a solution to a local social problem. The program offers something for you, and something for your community.

- Would you like to make a difference?
- Develop and discover personal strengths, leadership and community skills?
- Be supported to develop a community- based project?
- Meet new like-minded people?

Join our Creating Capable Leaders training program.
